

## ENTERTAINMENT

The Stadium Theatre Performing Arts Centre offers renowned regional and international live entertainment including drama, musicals, concerts, dance, magic, comedy, movies, pageants and dinner cabarets. Through the support of members like you, this non-profit organization is able to thrive and continue to offer a vast array of performances at family affordable prices.

## COMMUNITY VENUE

Community organizations and corporations utilize the Stadium for conferences, concerts, recitals, graduations, fund-raisers and award presentations. In 2011, the Stadium Theatre hosted over 150 events, including a formal wedding! Your generous support assists with day-to-day operations, keeping this grand, historic venue in operation, resulting in the enhancement of our community.

## THEATRE

Each season the Stadium Theatre Performing Arts Centre collaborates with multiple New England theatre groups in order to offer our patrons the opportunity to experience a wide variety of high caliber, live theatre performances. In addition, working with these theatre groups also provides aspiring artists the opportunity to perform in a high tech and established theatre.

## EDUCATION

Introducing theater arts to children has never been more important. The Stadium Theatre Performing Arts Centre presents its educational programming to thousands of children each year, with a goal to spark and foster the creative genius of the world's future artists. Programming currently includes Stadium Kid's Kamp, Workshops, Teen Summer Stock and the new Young Actors Academy!

## CLASSIC FILMS FREE MOVIES

Since 1926 the Stadium Theatre has presented movies on it's screen, many of which became classics. Today those films, such as Lon Chaney's historic "Phantom of the Opera", are being introduced to generations of film fans who were previously unaware of such masterpieces! In addition, the Stadium hosts free movie nights, evenings of complimentary entertainment for the community.

## SCHOOL TIME PERFORMANCES

The 'Imagination Series' offers educational and entertaining programming throughout the school year. International and regional presenters perform for students at the theatre during school hours. All performances are sign language interpreted for the hearing impaired.
